

MEASURING GUIDE

To help you determine your size...

BUST

Measure across the fullest part of your bust

UNDERBUST

This is where your bra would sit

WAIST

Measure your natural waistline

HIGH HIPS

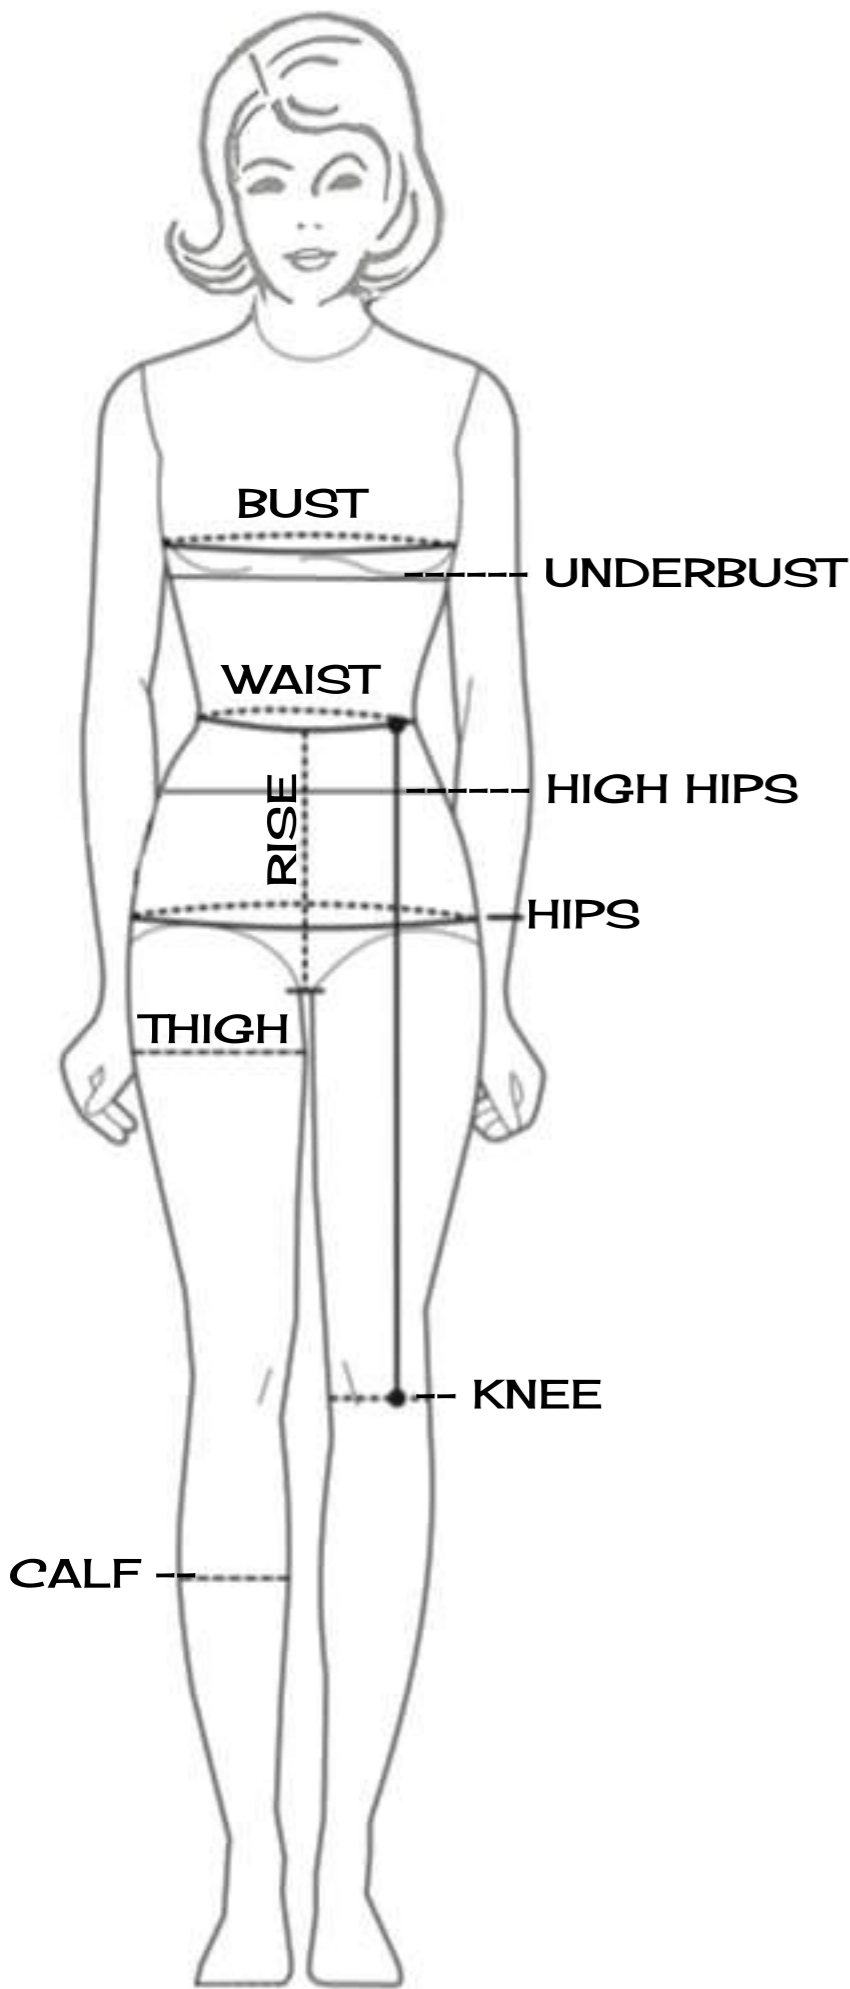

Taken approximately 4 inches below the natural waistline

RISE

Measure from your crotch seam up to your natural waistline

HIPS

Please measure the fullest part of your hip/bum area. This varies with height and shape. Any queries, contact us.
